Dear Patient,

According to our records, you are due to come in for your Annual Asthma Review.

Please telephone the surgery on 0116 286 4421 to make your telephone appointment with the nurse in the **Asthma Clinic**.

This is your final reminder letter. Our policy is to send a maximum of 2 reminder letters for you to make an appointment and if you still have not made one after this then you will not be called in again until the following year.

You can receive smoking cessation support at this appointment as well as from the pharmacist or any of our clinical team.

We have recently altered our recall system for these clinics so if you have already attended a review since the beginning of April, or if you have already made an appointment, please disregard this letter.

Yours sincerely,

The Limes Medical Centre
